Temporary Water Outage Notice for Guangfu Campus on October 4

1. Due to a ruptured water pipe from the municipal water company on Guangfu Campus, there will be emergency repairs and a temporary water outage.
2. Time and scope of the water outage:
 - Outage time: From 10:00 AM to 10:00 PM on October 4, 2024 (Taiwan Calendar Year 113)
 - Affected area: Entire Guangfu Campus
3. All faculty and students are requested to conserve water.
4. During the outage, please turn off the power to water pumps and be cautious of fire hazards:
 - If the water pump power is not turned off, prolonged idle operation can cause the motor to overheat, potentially leading to damage or fire.
 - This may also create negative pressure in the supply pipes, drawing in contaminated water and compromising water safety.
5. Please cooperate as follows:
 - Ensure water storage tanks in all buildings are filled for backup, to avoid running out of water during the outage.
 - Notify building managers and ensure their mobile phones remain accessible .
 - For emergency reports during the outage, please contact:
 - 2nd Division of Construction and Maintenance - Mr. Yu (Extension: 52057)
 - Campus Security Team (Extension: 50000)
