Construction Notice: Certain areas of the Yangming Campus will experience a water outage.

Construction Notice: Replacement Project for the Submersible Pump of the Lower Water Tower

Construction Period: December 13, 2025 (Saturday), 08:00 - 18:00

illustrate :

1. The construction area includes the lower mountain water tower of the Yangming Campus, where one malfunctioning submersible pump will be replaced and power line work will be carried out. During this period, water supply or water pressure may become unstable. We apologize for any inconvenience caused and ask for the understanding of all faculty, staff, and students.
2. Affected areas: Medical Building II, Nursing Building, Administration Building, Upper Village, Hillside Lodge, Swimming Pool, Male Dormitory 5, Female Dormitory 5, Foothill Village, Activity Center, Liberal Arts Center, Lower Village, and Chih-Ho Building.
3. To prevent water shortages on campus, water will be stored in advance in the intermediate water tower and mountain water tower of the Yangming Campus. During the construction period, faculty and students are kindly advised to conserve water.
4. The construction of the power line of the water tower at the foot of the mountain will be carried out from 08:00 to 18:00 on Sunday, December 14, 2025, and will not affect the water supply.
4. The office will complete the construction as quickly as possible and restore the water supply. The General Affairs Office will fully supervise the contractor to ensure all safety measures are properly implemented. We apologize for any inconvenience and ask for your understanding
